A look inside: The Dale Smith Foundation

One thing the late Dale Smith passionately encouraged was recovery literature. In his honor, ARC Alumnus Craig Z. has created a foundation dedicated to providing ARC inpatient clients with an AA Big Book and a notebook once they advance or 'phase up' in treatment. It is the alumni's hope that clients will use this literature as a guide for sober living just as Dale had. Donations make this cause possible. Keep an eye out at upcoming alumni events for the donation box.

Recovery Potluck & Costume Party

A big thank you to everyone who helped and donated!

The ARC Alumni (Est. February 2013) was created to help each other stay clean and sober through group activities, fundraising events, residential/post residential assistance, introductions to 12 step programs and general support for our Brothers and Sisters!
